I have recently purchased Eco Green
and Easy Cleaners/Degreasers and glass cleaner
from Eco Patrol Intl.

I cannot say enough about how great
these products work!

I clean my granite counter tops, copper
backsplash, marks on doorways and
countless items throughout my home,
and it does an amazing job of lifting
stains from carpet.

The glass cleaner does a great job
on windows, mirrors, and glass table
tops without streaking.

Thank you Eco Patrol for making cleaning
easier + greener.
